

just
wink

American Greetings Brings You More
Innovative Ideas, Like justWink.

Your card aisle will never be the same.

The justWink line is unlike anything you or your shoppers have seen. It's funny, sassy, sophisticated, and smart. But more than anything, it's a whole new experience and attitude for your card department. It's one more way we give your greeting card department the largest variety, the most elegant designs, and the biggest laughs.

To see all of our new products and our entire portfolio, contact your American Greetings Representative.
